Subject Activity Report  
Week Ending 5/6/84

1. Informational picketers arrived at front gate at 4:00 a.m., 5/2/84. Picketers are former Lonestar employees. Basis for picket is "Area Standards". While starting with 12 hour shifts, they now are present around the clock.
2. Met with TAMS representatives to discuss wharf modifications. They will submit estimate for cost of feasibility study by 5/9/84.
3. Began hauling off waste kiln dust and clinker at no charge to us. Material will be used for soil stabilization.
4. Using licensed truck driver to shuttle trucks not willing to cross the picket line.
5. City Department of Human Rights investigating OPC's successor liability regarding claim made against Lonestar in February. Questionnaire will be forwarded to Portland.
6. Began Finish Mill Operation with salaried supervisors.
7. Lonestar requesting surplus coal mill parts and brick.
8. Visitors: Messrs. Gould, DeLeenher, Ross, Sheridan and yourself.
